

## Certificate of Analysis

|                    |                                                       |
|--------------------|-------------------------------------------------------|
| Product Name       | Lavender Angustifolia (France)                        |
| Botanical Name     | Lavandula angustifolia                                |
| INCI Name          | Lavandula Officinalis Flower Oil                      |
| Country of Origin  | France                                                |
| CAS Number         | 84776-65-8                                            |
| Lot Number         | 3000586                                               |
| Manufacturing Date | August 13, 2025                                       |
| Retest Date        | 24 months from manufacture when stored as recommended |
| Shelf Life         | 24 months                                             |
| Document Date      | September 5, 2025                                     |

### Analysis Results

| Test             | Specification / Typical Range                    | Result   |
|------------------|--------------------------------------------------|----------|
| Appearance       | Colorless to pale yellow clear liquid.           | Conforms |
| Odor             | Characteristic lavender aroma.                   | Conforms |
| Relative Density | 0.875 to 0.890 @ 20°C                            | Conforms |
| Refractive Index | 1.457 to 1.467 @ 20°C                            | Conforms |
| Optical Rotation | (-10°) to (-3°)                                  | Conforms |
| Solubility       | Soluble in alcohol and oils. Insoluble in water. | Conforms |
| GC-MS Profile    | Refer to accompanying GC-MS report               | Conforms |

### Quality Statement

This certificate is prepared from current reliable source data and typical lot information available to West Coast Aromatics. Natural products may vary from lot to lot. The product is released to the best of our knowledge when stored and handled according to recommended conditions.
