

## GC-MS Composition Profile

|                   |                                                                      |
|-------------------|----------------------------------------------------------------------|
| Product Name      | Cajeput                                                              |
| Botanical Name    | Melaleuca cajuputi                                                   |
| INCI Name         | Melaleuca Leucadendron Cajeputi Leaf Oil                             |
| Country of Origin | Indonesia                                                            |
| CAS Number        | 8008-98-8/ 85480-37-1                                                |
| Analysis Date     | September 26, 2025                                                   |
| Profile Type      | Typical / representative composition profile; natural lots may vary. |

### Representative Chromatogram

### Peak Composition Table

| Peak | RT (min) | Compound                                                    | Typical % |
|------|----------|-------------------------------------------------------------|-----------|
|      |          | No GC-MS table could be extracted from the source document. |           |

Percentages are presented as a typical composition profile prepared from current reliable source data. Small analytical and natural lot-to-lot variation is expected.
