

## GC-MS Composition Profile

|                   |                                                                      |
|-------------------|----------------------------------------------------------------------|
| Product Name      | Lemongrass                                                           |
| Botanical Name    | Cymbopogon flexuosus                                                 |
| INCI Name         | Cymbopogon Flexuosus Herb Oil                                        |
| Country of Origin | India                                                                |
| CAS Number        | 8007-02-1 /91844-92-7                                                |
| Analysis Date     | October 21, 2025                                                     |
| Profile Type      | Typical / representative composition profile; natural lots may vary. |

### Representative Chromatogram

### Peak Composition Table

| Peak | RT (min) | Compound                                                    | Typical % |
|------|----------|-------------------------------------------------------------|-----------|
|      |          | No GC-MS table could be extracted from the source document. |           |

Percentages are presented as a typical composition profile prepared from current reliable source data. Small analytical and natural lot-to-lot variation is expected.
