Quality and Identity Support

Product Identity	Meditation Synergy Blend
Appearance	Clear to slightly hazy mobile liquid.
Color	Brown to reddish brown.
Odor	Rich floral, resinous, balsamic, and creamy woody characteristic aroma.
Solubility	Insoluble in water; soluble in alcohol and fixed oils.
Shelf Life	24 months when stored as recommended.
Storage	Store tightly closed in a cool, dry, well-ventilated place away from heat, light, and ignition sources.

Botanical Composition Basis

Ylang-Ylang (*Cananga odorata*), Cistus Blend (*Cistus ladanifer* and related aromatic constituents), Frankincense *Carterii* (*Boswellia carterii*), Myrrh (*Commiphora myrrha*), and New Caledonian Sandalwood (*Santalum austrocaledonicum*). Formula proportions are proprietary and are not disclosed in this document.

Regulatory Review

Fragrance Allergens	Refer to the current Meditation Allergen & IFRA Information document.
IFRA	Final conformity must be evaluated against current IFRA Standards, intended category, and customer use level.
California Proposition 65	Customer-specific constituent and exposure review may be required.
Safety Data	Refer to the current Meditation Safety Data Sheet.
Market Compliance	The customer is responsible for finished-product labeling and regulatory compliance.

Final Declaration

The information in this document is obtained from current reliable sources and is provided to the best of our knowledge. Natural materials may vary by crop, geography, processing, and lot. The user remains responsible for determining suitability and compliance for the intended finished product and market.
